

JOIN THE St. THERESE SCHOOL AD BOOK !!!

Since 1926 our school has worked to make Catholic education affordable to students from all backgrounds. Now we need your help to continue our growth and success. This is the purpose of the *St. Therese School Ad Book for 2015*.

Our ad book will circulate among school families, church members and the general community. It is a terrific way to promote a business or institution. In addition, you may want to honor a student, a teacher or a family member with a commemorative ad in our book.

Please use the form below to order your ad. Proceeds from the campaign are strictly used for school and student support. We appreciate your help. (You will receive a copy of your ad and a souvenir book for circulation.)

Gratefully,

Michael G. Neis
School Principal

*Many thanks from
the children of St. Therese School !*
